

REISSUE APPLICATION

SN: 10/810,546

Art Unit: 1755

CONCLUSION

On February 11, 2008, in a telephonic interview Examiner Green indicated that the after final papers filed January 31, 2008 and February 5, 2008 did not place the claims in condition for allowance and would not be entered.

Pursuant to the Patent Office request, submitted herewith are all claims amended in the course of reissue, showing the amendments made with respect to the claims in effect as of the date of filing of the reissue application incorporating changes made by the Certificate of Correction filed in the issued patent as required by 37 C.F.R. 1.173 (g). A clean copy of claim 22 in effect as of the date of filing of the reissue application, incorporating the Certificate of Correction filed in the issued patent is also provided as requested by the Patent Office.

Applicants respectfully acknowledge the Patent Office indication in the telephonic interview that the application is allowable provided that the indicated changes were made.

Applicants submit that by this paper they have complied with the Patent Office requirement and respectfully request reconsideration. Any comments or questions regarding this paper should be directed to the undersigned.

Respectfully submitted,

/Mary K. Cameron/
